"Stay-at-Home" Caring & Serving

We are coming together as a community to support our community. We are connecting opportunities to serve our community with those who need to receive help from our community. Some ways we're connecting with each other

We're making meals & delivering groceries

We're calling a parishioners to check on each other

We're creating artwork & writing cards for each other

We're teaching and learning FaceTime and Zoom to stay in touch

If you need help or want to offer help, please visit our [SFA help webpage](#) .

Zooming Workshops

Are you looking for some meaningful formation opportunities in the coming weeks? The Office of Justice and Peace will offer three spring formation opportunities, starting in early May. These opportunities are open to all who are interested in the well-formed but not well-known Catholic social teaching tradition. If you are interested in how faith and politics go together in the Catholic tradition, or how to think about complex social problems through

the lens of faith rather than partisan politics, or how to work more effectively and prudently for the kingdom of God, a kingdom of justice and peace, then these workshops are for you! We are offering these workshops online via the technology of Zoom. To find out more information about the three workshops and to sign-up for any or all of these workshops, go to our [Workshop Signup Page](#)

Distance Learning

The [Franciscan School](#) is closed for the immediate future until a thoughtful decision can be made. Guidance in this decision will come with direction from the NC Governor's Office and the Diocese of Raleigh. The Franciscan School continues to provide instruction to students to assure they are prepared for their academic futures. Read more about the curriculum and instruction [here](#). Please also visit the updated [COVID19 resource page](#) for information about the school's response and to read communications from Principal Mike Watson. The school continues to host our daily Morning Prayer, which can also be found on the [COVID 19 resource page](#). This shared prayer keeps the school community connection strong and rooted in a daily faith experience.

Our [St Francis Preschool](#) is also closed indefinitely until we receive further guidance from government & diocesan officials. The preschool is engaging with their families through a variety of online tools. You can continue to see some of them on the [preschool Facebook page](#) as well as on our [preschool website](#). We've updated our [preschool website](#) to include more specific information about COVID-19, resources on distance learning for preschool age children as well as fun and educational videos from our staff.

Our [Faith Formation](#) program has gone digital and we invite you to visit our new [Formation Resources web page](#)! Visit for links to virtual resources for people of all ages. Take a virtual tour of the Vatican, join us for daily events, learn how to pray the rosary, and connect to virtual resources and programming for our preschool, elementary, middle and high school parishioners. Be sure to watch them on their [facebook](#) page as well.

For when we can gather again, would you consider becoming a Formation Volunteer for 2020-2021? Want to learn more? Visit our [faith formation volunteer page](#).
