

What should we ask of Him?

Dear Jesus:

Fill my heart and spirit with thanksgiving, gratitude and a spirit of joy, for all that I am and all you have provided me. Lord, show me what you want me to see.

(DJ) Make me a vessel for faith, hope and love both for our Catholic Community of SFA and everyone I encounter.

Lord, show me what you want me to see.

(DJ) When I go sideways, and I know I will, give me the strength and the courage to both repent and reorient my life towards you, asking you for forgiveness.

Lord, show me what you want me to see.

(DJ) Show me how you want me to spend more time with you. Be it The Gospel, The Examen, Lexio Divina. Daily Mass.

Lord, show me you what you want me to see.

(DJ) Help me to continue to think about my vocation and how it serves me to be better and to do better...As a spouse, as a partner, as a parent, as a friend, as a child of God.

Lord, show me what you want me to see.

(DJ) Help me become a more vibrant witness in the world. Someone who recognizes all I am and all I have is a gift from you, a blessing and that I do not give to a need, but I feel the need to give as I both receive your gifts gracefully and I'm alive.

Lord, show me what you want me to see.

(DJ) Thank you for the gift of your son, the saints, the apostles and all the holy men and women that help us both live our lives as Catholic Christians and evangelize our faith to those who don't know you.

Lord, show me what you want me to see.

In your name we pray,

Amen.

"May the Lord of peace himself give you peace at all times and in every way. The Lord be with all of you." 2 Thessalonians 3:16
