

2022-2023
Youth Basketball League
St. Francis of Assisi

VOLUNTEERS

Our program is dependent upon volunteers for coaches, assistant coaches, referees, scorekeeper, clock, concession helpers, and team parents. For this reason we require all families to volunteers in some way.

COACHES AND ASSISTANT COACHES

As a coach or assistant coach in the Youth Basketball League, you are deemed to be a volunteer in a position of significant youth supervision. So that we can assure that all our youth are treated with dignity, respect and are provided an environment which promotes safety, all coaches and assistant coaches must have a current Safe Environment Level C Certification. All teams will need at least one Level C certified adult in attendance at all practices and games. For this reason **BOTH** the coach & assistant coach need to obtain Level C in case one has to be absent. If you need to receive your Level C training registration and application procedures please visit the parish website for more information: <https://www.stfrancisraleigh.org/safe-environment/>. All coaches and assistant coaches will be required to attend a coaches training meeting. At this meeting we go over league logistics, rules, changes and to answer any questions you may have regarding the league.

TEAM PARENT:

As team parent, your role is to help the coach as needs arise. Each coach is different so work closely with your team's coach to see what needs they may have. You will also need to coordinate your team's snack.

CONCESSION HELPER:

All families **MUST sign up for at least one 1 hour time slot**, but you certainly can work more than one if you would like to. If you have never worked concessions before, do not worry. Someone will be here during your time slot to show you how everything works and to assist you should you have any questions.

CLOCK or SCOREKEEPER:

Your role is to operator the clock or keep the scorebook during the game.

REFEREE FOR DIVISION 2, 3, & 5:

You will need to have a basic knowledge of basketball, we will provide you with training regarding the rules for each of the divisions. We have two referees for each game.
