

Summer 2023
Youth Co-ed Volleyball League
St. Francis of Assisi

VOLUNTEERS

Our program is dependent upon volunteers for coaches, assistant coaches, referees, line judges, scorekeepers. Parents/Guardians are required to volunteer to assist with line judges and scorekeepers during the games. Rising juniors and seniors in high school and anyone in college with playing experience who would like to volunteer their time to help coach will be appreciated. More volunteers will be needed to coordinate the evaluation process, and other league activities so please keep an open mind to whatever kind of help you can offer.
