

2024
ST. FRANCIS OF ASSISI
HIGH SCHOOL BASKETBALL LEAGUE

Our program is dependent upon volunteers for coaches, assistant coaches and to work the time clock during games. The League provides referees and scorekeepers. All families **MUST** sign up for at least one-time slot to work the time clock. If you have never worked the clock before, do not worry. Someone will be there during your time slot to show you how the clock works and to assist you should you have any questions. I will be sending out a sign up genius to fill the slots as soon as the schedule is out.

COACHES AND ASSISTANT COACHES

As a coach or assistant coach in the High School Basketball League, you are deemed to be a volunteer in a position of significant youth supervision. So that we can assure that all our youth are treated with dignity, respect and are provided an environment which promotes safety, all teams will need at least one adult volunteer who has current Level C clearance. For this reason, **BOTH** the coach & assistant coach need to obtain Level C in case one has to be absent. All teams will need one coach and one assistant coach in order to begin practices. If you need Safe Environment training you can find information at the following link: [Safe Environment - The Catholic Community of St. Francis of Assisi \(stfrancisraleigh.org\)](https://www.stfrancisraleigh.org/safe-environment)
