FINANCIAL UPDATE: You may not know this, but financially the parish runs in the red most months of the year and has for many years. What allows us to end the fiscal year (June 30) in the black are the extra donations that come in December and Easter. December is traditionally the month we receive the largest bump in our monthly donations to close the deficit gap.

This year, the December bump was smaller, percentage-wise, from recent years, leaving us **-\$49,000** below where we needed to be as we enter January. This will place some additional strain on our operations and impact our ministries since I will not allow the parish to close the fiscal year with a deficit.

If you could help us close this differential, I would be deeply grateful to you for your generosity. We have a lot to be proud of and a multitude of ways we reach many, many people. But this requires financial support from you. If you believe our mission is of the Gospel and worthwhile, I ask you to consider how you can support our mission through your financial support.

POPE FRANCIS WANTS TO HEAR FROM YOU! The Holy Father is embarking on an innovative path to bring the entire Catholic Church, and beyond, into dialogue about where the Church is today and where it should be heading in the near future. It's called a synod and there have been several of them since Vatican II (1962-1965), all involving a representation of the Catholic bishops of the world. What makes Pope Francis' approach unique is that he is inviting all Catholic laity in the world, active and inactive, as well as those who are not Catholic, for input on what issues are relevant for the Church to be exploring and what might be some ideas for addressing them.

The next synod is scheduled for 2023 in Rome. Currently, each diocese in the world is receiving input from the laity living in every diocese of the world that will be collated and sent to Rome to help the Pope discern what are the most important issues the Church should be facing and how the Church might respond in preparation for this synod. This consultation process has already been used for regional meetings by Catholic bishops (e.g., in the United States, the Encuentro meetings for Latino Catholics) to great success and Pope Francis believes it could also be useful for the global Church.

If you would like to offer your input, please go to the parish website and click the image of Pope Francis with his hand cupped over his ear to take the survey.

JUSTICE AND PEACE MINISTRIES

Trevor Thompson, Director of Justice and Peace

Remembering Rev. Dr. Martin Luther King, Jr.

On Monday, we remember Rev. Dr. Martin Luther King, Jr., American Baptist minister who became the most visible spokesman and leader in the American civil rights movement from 1955 until his assassination in 1968. May his example and wisdom continue to inspire us to work for greater spiritual fraternity, civil rights, and justice and peace.

"Let us never succumb to the temptation of believing that legislation and judicial decrees play only minor roles in solving this problem. Morality cannot be legislated, but behavior can be regulated. Judicial decrees may not change the heart, but they can restrain the heartless. The law cannot make an employer love an employee, but it can prevent him from refusing to hire me because of the color of my skin. The habits, if not the hearts, of people have been and are being altered every day by legislative acts, judicial decisions, and executive orders. Let us not be misled by those who argue that segregation cannot be ended by the force of law. But acknowledging this, we must admit that the ultimate solution to the race problem lies in the willingness of men to obey the unenforceable. Court orders and federal enforcement agencies are of inestimable value in achieving desegregation, but desegregation is only a partial, though necessary, step toward the final goal which we seek to realize, genuine intergroup and interpersonal living."

--Martin Luther King Jr., from a collection of sermons called A Gift of Love.

Not So Small Smaller Moments

“Little faith sees God’s hand in great things. Established faith sees God’s hand in little things.” Ralph Bouma

“Do you hear the bells, Ms. Heidi? Do you hear them??” Last week one of our two-year old students asked me this while he was outside on the playground with his class. As you might suspect, he was referring to the ringing of the bells of the chapel. Because of his excitement and intent in making sure that I noticed them; I couldn’t help but think that this was a moment in which God was trying to remind me of His presence.

With so much going on in the world right now, particularly in relation to the continued challenges brought on by the COVID pandemic, I am wondering if God is sending more messages to remember to look for Him throughout our day. I feel that, at least for me, this might very well be the case. For example, when one of our 2-year classes recently visited the nativity in the church, one student spotted a small lizard basking in the sun on top of the head of an angel; as she pointed it out to the rest of her classmates, one of the other little girls exclaimed, “I hope he doesn’t bite Baby Jesus!” While her worry was expressed with all seriousness, her teachers and I couldn’t help but smile! In reflecting upon her comment later, I wondered if the care which was so purely and honestly expressed from this student’s heart, wasn’t also God sharing His presence in the innocence of this little one.

Recently, I had someone send me an email message saying that she was praying for me and everyone at preschool. It just so happened that I received

her note at a moment when I was facing a particularly difficult situation during the week, unbeknownst to her. Hasn’t it happened to you that someone offers a kind word or note, unknowingly, at just the time that something hard might be occurring in your life? This Monday, we will remember the great work that Dr. King accomplished in trying to promote peace and justice for everyone. While the major events that he organized and inspired are often what is learned about and remembered, undoubtedly, there were many smaller moments in his life in which God was working too. One time, I heard Fr. Bill McConville say that it is ‘easy’ for us to see God in the very big happy and sad times in our lives, but we also can’t forget to look for Him during all of the in-between times.

Going through the day-to-day, it can be easy to overlook moments when God might be “winking” at us and giving us examples of His all-encompassing and loving presence. I feel very blessed to work in an environment which often provides me with these times while looking through the unfiltered lens of a child’s eyes. In this new year, let one of our resolutions be to try and be more vigilant and observant of God’s presence in our lives!

Registration for the 2022-2023 school year is OPEN! Visit our preschool website for more information or to complete an application.

EDUCATION MINISTRIES

Catholic School's Week!

Mike Watson, TFS Principal

Catholic Schools Week is coming in two weeks starting January 30th! Each year, even in these past pandemic years, we find the time and opportunity to recognize all that Catholic schools offer to students and families. This year's theme for national Catholic Schools Week is "Faith. Excellence. Service.", which fits naturally with our own TFS theme of Faith, Academics, and Service. This is a week where we have the chance to discuss how dedicated our Catholic school teachers and staff are in assuring a great academic experience for our students! A week where we all perform the service that lets Catholic schools stand apart in support of those in need! Moreover, a recognition that all of this is viewed through the lens of our Catholic faith, which teaches us to not only better ourselves to develop our God-given gifts but to use service to allow others to do the same.

The daily themes of the week celebrate the parish, the community, the students, the nation, vocations, and Catholic school faculty, staff and volunteers; all integral parts of all successful Catholic Schools, including the ones we have here at St. Francis of Assisi parish. Without the expertise, excellence, and professionalism of our faculty and staff, we would not be able to have such an academically excellent school. Without the families and students who support us, and who appreciate and value the Catholic school experience, we would not have the overall sense of purpose that drives us to excellence. Without the support of the Parish,

the vocations of our clergy, and our supportive school communities, we would not have the grounding in our Faith that allows us to have a guiding purpose through which all aspects of our school's activities function; it is the reason we are here. Finally, without the ability to live in a nation that knows the value of faith and education, and recognizes the freedom of students to have a faith-based education, we would not be able to provide the faith, academics and service that we do here at TFS.

Please keep the schools at St. Francis parish, The Franciscan School and St. Francis of Assisi Preschool, in your prayers during Catholic Schools Week as we embrace our purpose for being and recognize all that an excellent Catholic education provides. This weekend, as we recognize all that Dr. King did to bring our country forward as a society, we recognize, as he did, the "content of character" that truly reflects the best of all of us. Catholic schools always strive to build character and Faith in all God's children, all who are made in his image.

Our admissions process for the 2022-23 school year at The Franciscan School has started! We would love to tell you more about all that a Catholic education can provide for your student. Join us for one of our upcoming virtual information sessions to learn more on how we can support your family's goals for your child through the love and support provided by our TFS family. More information can be found on our website at www.franciscanschool.org or contact Principal Mike Watson at michael.watson@stfrancisraleigh.org.

Opening for Music Teacher at The Franciscan School

The Franciscan School is seeking a qualified music teacher for our elementary and middle school beginning in March 2022. Candidates must have a Bachelor degree. Preferred candidates will have a NC teaching licensure or be able to obtain NC teaching licensure, have teaching experience in music, as well as experience in working with outside agencies that would enhance our music program.

If you are interested in joining a dynamic educational environment working with dedicated professionals to provide an academically challenging experience for our students, please send a cover letter that includes your educational philosophy and resume by February 18th, 2022 to TFSResume@stfrancisraleigh.org

Corporal Works of Mercy "Bury the Dead"

Outside Volunteer Opportunity

Funerals provide an opportunity to support those who are grieving the loss of a loved one. Perhaps one of our lesser-known ministries at St. Francis is serving as a columbarium attendant. The columbarium attendant offers quiet, behind the scenes assistance by preparing the columbarium niche to receive cremated remains after a funeral liturgy. This includes setting up, opening and cleaning the niche, respectfully standing watch during the time the niche is open, and replacing the niche cover after the service. Those who serve must be physically able to remove, lift, and replace the granite niche cover, which weighs approximately 60 pounds.

Services are typically Tuesday thru Saturday and take approximately 1 to 1 ½ hours of time. Columbarium attendants can serve as their schedule allows. For more information, please contact Trish Adamkowski 919-847-8205 x 236 or trish.adamkowski@stfrancisraleigh.org.
